Independent Auditor's Report

Board of Directors
Northeast Iowa Food Bank

Report on the Financial Statements

We have audited the accompanying financial statements of Northeast Iowa Food Bank, which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Northeast Iowa Food Bank as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 13, 2018, on our consideration of Northeast Iowa Food Bank's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Northeast Iowa Food Bank's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Northeast Iowa Food Bank's internal control over financial reporting and compliance.

Northeast Iowa Food Bank
Notes to Financial Statements

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

The Northeast Iowa Food Bank (the Food Bank) is a nonprofit organization that receives and distributes food and non-food products to people in need. The Food Bank has five programs: Member Agency Distribution which provides food and grocery products to other nonprofit organizations in a 16 county area; Cedar Valley Food Pantry and Mobile Food Pantry which provide food and non-food items to individuals in Black Hawk County and to families in various towns in northeast Iowa; Kids Cafe which provides meals and snacks to kids in afterschool programs; Elderly Nutrition Box Program which provides homebound seniors in 14 counties with a monthly box of food; and the Back Pack Program, which provides children, at schools in 16 counties, with a back pack full of food on weekends and before school breaks. The Food Bank is a member of Feeding America, the Nation's largest charitable hunger relief organization.

Basis of Presentation

The Food Bank is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. A description of the three net asset categories follows.

Unrestricted net assets include all net assets which are neither temporarily or permanently restricted.

Temporarily restricted net assets include contributions for which donor-imposed time and purpose restrictions have not been met.

Permanently restricted net assets include contributions whose use by the Food Bank is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Food Bank.

The Food Bank did not have any permanently restricted net assets as of June 30, 2018 and 2017.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentrations of Credit Risk

Financial instruments which potentially subject the Food Bank to concentrations of credit risk consist principally of cash and cash equivalents. The Food Bank places its cash and cash equivalents with high credit quality financial institutions. At times, the Food Bank's cash and cash equivalents are in excess of the FDIC insurance limit.

**Northeast Iowa Food Bank
Notes to Financial Statements**

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash Equivalents

Cash equivalents include highly liquid investments that are recorded at cost plus accrued interest, which approximates market, and have original maturities of three months or less.

Restricted and Unrestricted Revenue

Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted contributions are reported as an increase in temporarily restricted net assets. When a restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Food Inventory

Purchased food inventory is stated at the lower of cost (first-in, first-out method) or net realizable value.

Food donated to the Food Bank is capitalized as inventory and is valued at a weighted average price per gross pound as determined by Feeding America.

Food inventory received from the United States Department of Agriculture is valued at a weighted average price per gross pound as determined by Feeding America.

Property and Equipment

Property and equipment are carried at cost, or fair value, if donated, with depreciation computed primarily under the straight-line method over the economic useful lives of the assets. All technology equipment in excess of \$500 is capitalized. All other acquisitions and donations of property and equipment in excess of \$1,000 are capitalized.

Equipment held under capital leases is classified as property and equipment and amortized using the straight-line method over the economic useful life of the equipment, or the term of the lease. Lease amortization is included in depreciation expense.

Northeast Iowa Food Bank
Notes to Financial Statements

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Long-Lived Assets

The Food Bank records impairment losses on long-lived assets used in operations when events and circumstances indicate that the assets might be impaired and the undiscounted cash flows estimated to be generated by those assets are less than the carrying amounts of those assets. There were no impairment losses for the years ended June 30, 2018 and 2017.

Board Designated Unrestricted Net Assets

The Board's "designated operating reserve" is intended to assure continued funding of the Food Bank's operations.

The Board's "designated capital expenditures" is intended to assure adequate funding of the Food Bank's future capital expansions, improvements and acquisitions.

Income Taxes

The Food Bank is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal income taxes pursuant to Section 501(a) of the Code.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities, and functional expenses. Accordingly, certain costs have been allocated among the programs and the supporting services benefited.

Donated Materials and Contributed Services

Donated materials are reflected as contributions in the accompanying statements at their estimated values at date of receipt.

No amounts have been reflected in the financial statements for donated volunteer services. The Food Bank generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Food Bank with specific assistance programs, fundraising, and various committee assignments. The Food Bank receives more than 48,000 volunteer hours per year.

Recently Adopted Accounting Pronouncements

The Food Bank adopted Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2015-11, *Inventory (Topic 330)*, in its 2018 financial statements. This guidance requires an entity to measure inventory at the lower of cost or net realizable value, rather than at the lower of cost or market. The adoption of this guidance did not have an impact of the Food Bank's financial statements.

**Northeast Iowa Food Bank
Notes to Financial Statements**

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recently Issued Accounting Pronouncements

Not-For-Profit-Accounting

In August 2016, the FASB issued ASU No. 2016-14, *Presentation of Financial Statements of Not-For-Profit Entities (Topic 958)*. This update does not have an impact on recognition or measurement of assets, liabilities, net assets, revenues or expenses, it instead improves the presentation of financial statements of not-for-profit entities. This standard reduces the net asset classification from three to two; net assets with and without donor restrictions. In addition, this update expands disclosures about liquidity and financial performance of the not-for-profit entity. This update is effective for annual reporting periods beginning after December 15, 2017, with early adoption permitted. The Food Bank does not expect the adoption of this guidance to have a material impact on its financial statements.

Revenue Recognition

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. This update will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective. The standard will affect companies that enter into contracts with customers and provides a five step process for determining when revenue should be recognized to match the transfer of goods or services. In August 2015, the FASB issued ASU No. 2015-14 which defers the effective date one year making it effective for annual reporting periods beginning after December 15, 2018, with early adoption permitted. The Food Bank is currently evaluating the impact this standard will have on its financial statements.

Subsequent Events

Management has evaluated subsequent events through December 13, 2018, the date which the financial statements were available for issue.

NOTE 2 – DESIGNATED AGENCY ENDOWMENT FUND

The Food Bank has a beneficial interest in assets held by the Community Foundation of Northeast Iowa (the Foundation) in the amount of \$12,839 and \$12,443 as of June 30, 2018 and 2017, respectively, which represents funds previously transferred to the Foundation by the Food Bank, and the earnings thereon. The Food Bank has granted variance power to the Foundation in the event the Food Bank terminates or ceases to exist as a legal entity. The Foundation holds these transfers and third-party contributions to the Foundation on behalf of the Food Bank in a fund (the Fund). The Fund's income is available to support the Food Bank's operations. The Food Bank had a total of \$246,884 and \$211,606 in the Fund as of June 30, 2018 and 2017, respectively. For the years ended June 30, 2018 and 2017, \$7,920 and \$8,541, respectively, was distributed to the Food Bank from the Foundation.

NOTE 6 – DONATED AND PURCHASED FOOD

	2018			2017		
	<u>lbs.</u>	<u>Amount</u>	<u>Average Price/lb.</u>	<u>lbs.</u>	<u>Amount</u>	<u>Average Price/lb.</u>
Donated						
Received	7,644,548	\$ 12,842,841	\$ 1.68	7,266,842	\$ 12,571,637	\$ 1.73
Distributed	7,561,057	12,792,045	1.69	7,106,541	12,175,047	1.71
Purchased						
Purchased	619,470	621,917	1.00	749,485	701,664	.94
Distributed	658,870	654,348	.99	829,767	704,388	.85

NOTE 7 – PENSION PLAN

The Food Bank maintains a SEP-IRA pension plan covering substantially all employees. For the year ended June 30, 2018, the Food Bank contributed 7% of each covered employee's wages. For the year ended June 30, 2017, the Food Bank contributed 5% of each covered employee's wages. For the years ended June 30, 2018 and 2017, the Food Bank charged against income \$50,389 and \$28,432, respectively, under this Plan.

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Northeast Iowa Food Bank under programs of the federal government for the year ended June 30, 2018. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Northeast Iowa Foodbank, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Northeast Iowa Foodbank.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited to reimbursement.

NOTE 3 - INDIRECT COST RATE

Northeast Iowa Foodbank has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

**Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed
in Accordance with *Government Auditing Standards***

Board of Directors
Northeast Iowa Food Bank
Waterloo, Iowa

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Northeast Iowa Food Bank, which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 13, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Northeast Iowa Food Bank's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Northeast Iowa Food Bank's internal control. Accordingly, we do not express an opinion on the effectiveness of Northeast Iowa Food Bank's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Northeast Iowa Food Bank's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

December 13, 2018

**Independent Auditor's Report on Compliance for
a Major Federal Program and on
Internal Control over Compliance Required by
the Uniform Guidance**

Board of Directors
Northeast Iowa Food Bank
Waterloo, Iowa

Report on Compliance for a Major Federal Program

We have audited Northeast Iowa Food Bank's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Northeast Iowa Food Bank's major federal program for the year ended June 30, 2018. Northeast Iowa Food Bank's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Northeast Iowa Food Bank's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Northeast Iowa Food Bank's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Northeast Iowa Food Bank's compliance.

Opinion on Each Major Federal Program

In our opinion, Northeast Iowa Food Bank complied, in all material respects, with the types of compliance requirements referred in the first paragraph that could have a direct and material effect on its major federal program for the year ended June 30, 2018.

Report on Internal Control over Compliance

Management of Northeast Iowa Food Bank is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to in the first paragraph. In planning and performing our audit of compliance, we considered Northeast Iowa Food Bank's internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Northeast Iowa Food Bank's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
